MINI-LESSONS

Sequences and procedures

How does knowing the correct order help with comprehension?

PYP AGENTS

EXTEND education

Look at these pictures.

- What do you think is the correct order?

Think about getting ready for school.

THINK | **PAIR** | **SHARE**

- Tell your partner about your routine.

Use sequencing words:

First To start Secondly Then Next After Last

- Share some other procedures you know.

Look at a procedure in the text.

- How can you tell it is a procedure?

What features must a procedure have?
What might go wrong without these features?

ASKING ALL AGENTS!

When can procedures be useful?

- Work with a partner to write your own sequence or procedure on cards. Don't forget to use sequence words.
- Then swap with another pair and solve them!

EXTEND education

Reflect.

I used to think …

But now I think …
