

# Subheadings

Subheadings are used to collect text into sections.

Subheadings are linked to what the text underneath them is about.

# Turn to chapter 1.

- See how easily you can find information about the digestive system on page 3.
- Now see how easily you can find information about the digestive system on page 5.
- On which page was it easier to find what you wanted?
- Write down why you think this was on your Worksheet.

**ASKING ALL AGENTS!**

What about subheadings makes them easy to use?

# Look through your book to find a subheading in another chapter.

- What is the subheading called?
- What is the subheading section about?
- Write your answers on your Worksheet to share with your teacher.
