

Captions

Captions tell us more about an image.

Captions give us more details about the image or help make the information clearer.

Look around the room you are in.

- Choose an object and create a caption for it.
- It can be real or made up!

I sat at this desk when I wrote a story about a dragon who drank a whole river.

This is the world's first flying chair. It went to the moon and back in 2020.

- Write your caption down on your Worksheet to share with your teacher.

Choose a chapter of your book to read again.

- Find all the captions in the chapter.
- Choose the caption you think is most useful.
- Write down why you think that is on your Worksheet.

ASKING ALL AGENTS!

How can captions help us to understand images?
How does that help us to understand the text too?
