

# Diagrams and maps

Diagrams and maps visually show information.

Diagrams and maps can help make the meaning in text clearer or easier to understand.

# Think about the value 25%.

- How easy is it to imagine 25% of a cake or pizza?
- Which diagram helps you to imagine it the best?

- Write your thoughts down on your Worksheet to share with your teacher.

# Look at the pie chart at the start of chapter 3.

- What do you think the pie chart is showing?
- How does it link to the pie charts at the start of the other chapters?
- Write your thoughts on your Worksheet to share with your teacher.
