

# Instructions

Instructions tell you what to do and in what order.

Instructions help you to do something correctly and safely.

# Read the instructions on page 14.

- What is the first instruction?
- Why is it important to read the instructions carefully?
- Write your answer down on your Worksheet to share with your teacher.

## ASKING ALL AGENTS!

Why should you check the material list before you start?  
How important is it to follow the correct order?

# Think about the last time you were given some instructions.

- Why were those instructions needed?

- Write down what they were on your Worksheet to share with your teacher.
