

Intonation

How does intonation change the meaning?

Say the following sentence in a whisper.

I have something to tell you.

- Now say it very loudly.
- How does speaking louder change the meaning of the sentence?
- How else can we change the meaning without changing the words?

Think about other voices or emphasis.

Choose a sentence in your book.

- Your teacher will give you a mood.
- Read your sentence in a tone that shows your mood.
- What did you do differently to show your mood?
